Re: PETITION NO. 1310A - Quinebaug Solar, LLC petition for a declaratory ruling, pursuant to Connecticut General Statutes §4-176 and §16-50k, for the proposed construction, maintenance and operation of a 50 megawatt AC solar photovoltaic electric generating facility on approximately 561 acres comprised of 29 separate and abutting privately-owned parcels located generally north of Wauregan Road in Canterbury and south of Rukstela Road and Allen Hill Road in Brooklyn, Connecticut. Reopening of this petition based on changed conditions pursuant to Connecticut General Statutes §4-181a(b). **Request for Revision to Partial Development and Management Plan II.**

Dear Ms. Bachman:

Quinebaug Solar, LLC (“Quinebaug Solar”) is writing to request a revision to the Project’s development and management plan in the above captioned Petition. The Connecticut Siting Council (“Council”) approved the second portion of the Project’s Partial Development and Management Plan (“Partial D&M Plan II”) on March 26, 2021 and delegated approval of any changes to Council staff in accordance with Regulations of Connecticut State Agencies (“RCSA”) §16-50j-62(b).

As reflected in the Partial D&M Plan II submitted to the Council on January 19, 2021, Quinebaug was able to decrease the footprint of the Project, including elimination of panel areas in the northwest corner of the project. Prior to the decrease in footprint, in January 2020, Quinebaug, the landowner, and the mineral rights owner agreed not to develop, and to conserve certain areas of land identified in pink on the attached map as Exhibit A (“Conservation Areas”). Exhibit B shows a map of the Conservation Areas with the Project’s reduced footprint.

Based on the revised footprint of the Project and ongoing agency discussions following the Council’s Order in the above captioned Petition, certain locations were removed as designated Conservation Areas. This correspondence is to provide notice to the Council, and request approval of the revised Conservation Areas map attached as Exhibit C.

Please do not hesitate to contact the undersigned should you have any questions or require any additional information.

Thank you for your consideration,
